

## WHAT IS I-SORT?

In December 2003, Attorney General Lisa Madigan brought together law enforcement leaders throughout Illinois to create the Illinois Sex Offender Registry Team (I-SORT). I-SORT is focused on improving Illinois' Sex Offender Registry.

### **I-SORT partners include:**

Attorney General Lisa Madigan  
Secretary of State Jesse White  
Illinois State Police  
Illinois Department of Corrections  
Chicago Police Department  
Cook County State's Attorney Anita Alvarez  
Cook County Sheriff Thomas Dart  
Illinois Sheriffs' Association  
Great Lakes Regional Fugitive Task Force  
Illinois Association of Chiefs of Police  
U.S. Marshals Service

As a result of the effort and recommendations of I-SORT, the registry has been significantly improved. Among many improvements, the registry now contains information on the criminal history of registered offenders and denotes whether the offenders are compliant with registration laws. Additionally, key portions of the Web site have been translated into Spanish.

### **I-SORT Public Awareness Posters**

Attorney General Madigan and I-SORT have launched a statewide public awareness campaign to educate Illinoisans on the Registry. (See back panel)

### **I-SORT Hotline: 1-888-41-ISORT (47678)**

I-SORT has established a toll-free number to take your phone-in tips about inaccurate or incomplete entries on the Sex Offender Registry and to answer your questions about the registry law. If you have or need information, please call the I-SORT Hotline.

## How to Order Posters

To order sex offender registry posters, please call the I-SORT Hotline number at 1-888-41-ISORT (47678). You will need to provide your contact information and the number of posters that you would like in English and Spanish. The hotline is answered Monday through Friday from 8:30 a.m. to 5:00 p.m.

## WHAT DOES THE SEX OFFENDER REGISTRATION ACT REQUIRE?

The Illinois Sex Offender Registration Act requires that every sex offender register in person with the local police department or county sheriff in each municipality in which he or she resides or attends school. Sex offenders must register within 3 days of release from confinement or, if sentenced to probation, within 3 days of entry of the sentencing order. The law also provides that:

- Sex offenders must register annually.
- A sex offender found to be a Sexually Violent Person, a Sexually Dangerous Person, or convicted of violating the Sex Offender Registration Act, must register every 90 days.
- If a sex offender moves, he or she must register his or her new address with the local police department or local county sheriff within 3 days of moving.
- The sex offender must bring proof of residence and will be photographed during the registration process.

## HOW LONG IS A SEX OFFENDER REQUIRED TO REGISTER?

Sex offenders are required to register for a period of 10 years after conviction or, if confined, for a period of 10 years after parole, discharge, or release from confinement.

Sexually Dangerous and Sexually Violent persons and persons convicted of an offense that qualifies them as a Sexual Predator are required to register for natural life.

## WHAT IS THE PENALTY FOR FAILING TO COMPLY WITH THE SEX OFFENDER REGISTRATION LAWS?

A sex offender who fails to comply with the requirements of the Sex Offender Registration Act commits a Class 3 felony, punishable by 3-5 years in the Illinois Department of Corrections. The registration term of sex offenders required to register for 10 years, will also be extended for an additional 10 years from the date of non-compliance.
