

Dear Law Enforcement Colleague:

The Elderly Service Officer (ESO) Training addresses the unique needs of our rapidly growing senior population. The training program is designed to sensitize and educate law enforcement personnel on senior issues so they can play a more active role in preventing and investigating crimes against older persons.

Illinois is a national leader in developing this course. This five-day training has been certified by the Illinois Law Enforcement Training and Standards Board.

The Advanced ESO Training is a one-day course that builds upon previous trainings by providing in-depth information regarding the most important issues facing seniors today.

I encourage every law enforcement department to send one or more officers to the Elderly Service Officer Training and the Advanced ESO Training. There is no charge for this training and your registration form is below. By working together, we can better protect our older citizens from harm.

Very truly yours,

Lisa Madigan
Illinois Attorney General

Who should attend?

The ESO Training is primarily for law enforcement personnel. However, the training is also open to elder abuse service providers. The Advanced ESO Training is open to officers and providers who have previously attended one standard training.

Topics covered in the ESO Training will include:

The Aging Process • Elder Abuse and Neglect • Communication Skills
Scams and Fraud Against Seniors • Nursing Home Issues

To attend this training, please complete the registration form and return it to Eileen Baumstark-Pratt, Special Events Coordinator, by **fax** at **312-814-8344** or by **e-mail** at **SpecialEvents@atg.state.il.us**. Please call **1-866-376-7215 (TTY: 1-800-964-3013)** with questions or to request reasonable accommodations.

Because space is limited, you are strongly encouraged to register early. Registration prior to the deadline noted above does not guarantee a space at the training. A confirmation notice will be sent to you indicating your participation in the training. To maximize the number of agencies represented, the Attorney General's Office may limit the number of attendees that each agency may send to the training.
