Instructions for Affidavit of Non-Participating Manufacturer Regarding Escrow Reconciliation Payment

NPM-R
Instructions

General Information

What is the definition of a cigarette manufacturer?

A cigarette manufacturer is defined as

- any entity that manufactures cigarettes, including roll-your-own, anywhere that such manufacturer intends to be sold in the United States, including cigarettes that are intended to be sold in the United States through an importer;
- the first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or
- a successor of any entity described above.

Who is required to file this affidavit?

You must file this affidavit to report the number of cigarettes sold in Illinois and pay the amount calculated into your qualified escrow fund:

- If you are a cigarette manufacturer whose cigarettes are sold within the State of Illinois (whether by you directly or through any distributor, retailer, or similar intermediary) **and**
- you have not become a participating manufacturer of the tobacco Master Settlement Agreement, **and**
- you made quarterly payments during any part of the liability year.

Where you have paid quarterly during parts of two different liability years, it will be necessary to reconcile for both years.

What is a Non-Participating Manufacturer?

A Non-Participating Manufacturer is any cigarette (including RYO) manufacturer who has not signed onto the tobacco Master Settlement Agreement.

What is a qualified escrow fund?

You are required to establish a qualified escrow fund. This means an escrow arrangement with a federally or State-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least \$1,000,000,000, where such arrangement (1) requires that the financial institution hold the escrowed funds' principal to satisfy judgments obtained by "releasing parties" as defined in the Master Settlement Agreement, or 25 years, whichever occurs first, and (2) prohibits you from using, accessing, or directing the use of the funds' principal during such period, except as consistent with 30 ILCS 168/1 et seq.

When is this affidavit due?

This affidavit must be filed on or before April 15 of the year following the liability year (e.g., 2023 liability year is due on or before April 15, 2024).

When must I make my escrow payment?

You must deposit all escrow payments into your qualified escrow fund on or before April 15 of the year following the liability year. After you have made your deposit, forward a copy of your receipt or other proof of deposit from your financial institution, and this affidavit. Where manufacturers are required to report and pay into escrow quarterly, this report reconciles the amount previously escrowed for the liability year according to the revised inflation adjustment.

What if I discover product which was not reported?

Include those amounts on this report and file an amended report for the period in question.

Where do I send my completed affidavit?

Mail your completed affidavit and proof of payment to:
OFFICE OF THE ATTORNEY GENERAL
TOBACCO ENFORCEMENT BUREAU
500 SOUTH SECOND STREET
SPRINGFIELD IL 62701
